Household Composition

1. What are the **first names** of all members of your household? Include in your household everyone who currently lives here and anyone who was part of your household at any time during 2001.

List the household reference person first (see definition). Ask all questions in Section A for each member of the household that you have listed.

Household Reference Person:

The member of the household mainly responsible for its financial maintenance (i.e. pays the rent, mortgage, property taxes or electricity, etc.). This person can be either male or female. In cases where members share equal financial responsibility, choose one member to be the household reference person.

Statistics Canada is always looking for ways to make surveys easier to complete. One option would be to answer the questions on a home computer and then send the information to Statistics Canada via the Internet. Naturally, the transmission of information would be safeguarded to guarantee privacy.

If given the option, would you have chosen to do the survey electronically?
