HOUSEHOLD COMPOSITION (RS)

Household Composition (RS)

The next few questions ask for important basic information on the people in your household.

Please include everyone who lives here at the time of the interview and everyone who usually lives here, for example, room-mates, students who return from school to live with their parents, or spouse working away from home.

Do not include the persons who have permanently left the household during the year, for example, to get married or because of separation/divorced.

We'll begin by listing the reference person first. The reference person is the household member that is mainly responsible for the financial maintenance (for example, pays the rent, mortgage, property taxes or electricity). In cases where members equally share the financial responsibility, choose one member to be the household reference person.

PE_Q01 What are the names of all persons who usually live here?
