

- Tuesday 3 Buz computing.
cloudy
cold
- Wednesday 4 Buz computing. Marie walked with Mrs. Ben-
lee tonight.
cloudy
little snow
- Thursday 5 Buz computing.
cloudy
- Friday 6 Buz computing. Marie & I spent the evening at
Mrs. Patterson's.
mild
misty, little rain
- Saturday 7 Buz computing. In afternoon I took the
three boys for a drive to Mespelet. -
Happy musical & family evening again. Sometimes
I think I ought to drive the boys from my library and
keep more closely to my work - but - I can't, -
for when I think of the fleeting years, how soon one
after another will be leaving the paternal roof
a sigh of regret steals over me, and being the greater
part of the year away I cling more closely to my family
and lose no opportunity in making it a continued
source of happiness to all.
- Sunday 8 Buz computing. Adolf Müller made us a
pleasant short call.
- Monday 9 Buz computing, I also wrote an article on the
effect of denudation of forests in the Rocky Mts.
pleasant
In evening attended meeting of directors of Mech.
Institute.
- Tuesday 10 Buz in the office.
stormy
- Wednesday 11 Buz computing re. In evening was at Mech.
snow
Inst. & thereafter began the preparation of the series
of questions for the examinations for D. S. in
night very cold
-18°
February. I took to St. Catherine's to several of
