I left for Ottawa this morning to attend the examina-
tion for Dem. and Sundayors, being a member of the
Board. Jacob drove me to Galt's Arriving in Toronto
about noon I remained till 8 to 10 P.M. attending to
some minor matters. — I called on Mrs. Poole & in the
evening met J. G. Howard of the Meteorological office.
The weather was delightful here and we saw some
work outside at the erection of buildings.

At Ottawa, and as usual found that I was nearer
the North Pole than I had supposed. —
Attended the Board meeting, where were present besides
myself, McDowell, King, Macrath & Webb, credits
there are 125, and their papers kept us busy.
In the evening after dinner I was at Mr. King's
discussing economic matters.
