ArcGIS Online: Login Instructions (uOttawa)

Updated: September 2023

https://www.arcgis.com/index.html

Step 2: Select Your ArcGIS organization's URL.

Step 3: Put in **uottawa** for the ArcGIS organization's URL. Note that the previous URL was gsguo which originated from the Geographic, Statistical, and Government Information Centre (GSG) at the uOttawa Library.

Step 6: You have successfully logged in to your ArcGIS Online account. If this is your first time logging in to this account, you have automatically created it. For more information on your ArcGIS Online account, including permissions, extensions, credits, and details on account expiration, please visit:

<image>

Step 7: Access Esri's training courses by clicking on your profile then "Training".

Step 8: From here, explore the courses by browsing below or going to the "Catalog" tab and searching through the available E-Learning classes that are available (e.g., by keyword).
